Technical Skills and Certification

Programming Languages : C, JAVA, Python, JavaScript, HTML, CSS

Other Software :
Certificates   :

- MS Power point, MS Excel, MS Word, Figma :
- Certification in Empowering Technical Leaders: Strategies to lead and Inspire Your Team by IEEE
- Certification in Web Development by InternPe
- Certification in Java Programming by CodeSoft
- Introduction to C (sololearn)

Area of interest

- Web Development
- Data Structure and Algorithm
- Cyber Security
- Computer Network

Extracurricular Activities

- Participated in workshop **"Empowering Technical Leaders: Strategies to Lead and Inspire Your Team"**.
- Participated in IEEE workshop on **"Investing in your future: The importance of continuing education for Engineers"**.
- Volunteered in **IEEE Conference**.
- Participated in the Swaraj Quiz by Prasar Bharti and DD National.
- Participated with exceptional dedication in the **Women Day Coding Challenge hosted by Naukri Campus**.
- Participated in building **Snapchat AR Lenses** using Lens Studio at the Augmented Reality Workshop organized by Bharat XR & Hack With India.
